D. Teumim and A. McIntyre. *Industrial Network Security, 3rd Edition*. International Society of Automation. 2019 (Forthcoming).

A. McIntyre, "LOGIIC: Safety Instrumented Systems Final Report," Automation Federation, July 2018.

A. McIntyre, "Developing a Cybersecurity Protocol for your Operational Environment," Natural Gas & Electricity Magazine 34/9, Wiley Periodicals, Inc., April 2018.

A. McIntyre, "LOGIIC: Mobility Project Final Report," Automation Federation, May 2017.

A. McIntyre, "Effective ICS Security Practices," ENTELEC Webinar, October 27, 2016.

A. McIntyre, "LOGIIC: Real-Time Data Transfer Project Final Report," Automation Federation, May 2016.

G. Legge, J. Esparza, A. McIntyre, and M. Guzman, "Cybersecurity and Insurance Coverage: Evolving Risks Where More than Data is at Stake," EUCI Oil & Gas Cybersecurity Conference, Houston, Texas, August 10, 2015.

A. McIntyre, "Cyber Security Decisions in Emerging Technology Decisions," GDS Summit, San Antonio, Texas, June 17-19, 2015.

A. McIntyre, "LOGIIC: Remote Access Project Final Report," Automation Federation, June 2015.

A. McIntyre, "LOGIIC: Virtualization Project Final Report," Automation Federation, February 2015.

A. McIntyre, "LOGIIC: Wireless Project Final Report," Automation Federation, March 2013.

A. McIntyre, "From Theory to Implementation: Cyber Security Policy, Guidelines, and Application," API Cybersecurity Conference, Houston, Texas, November 12, 2012.

A. McIntyre, U. Lindqvist, B. Peterson, and Z. Tudor, "Host-Protection Strategies for Industrial Control Systems," IEEE Conference on Technologies for Homeland Security, November 2012.

A. McIntyre and B. Peterson, "LOGIIC: Host-Protection Strategies – Application White Listing Final Report," Automation Federation, August 2012.

A. McIntyre, "Operational Security: A New View of Site Protection," Site Selection Energy Report, December 2011.

A. McIntyre and M. Henrie, "Good Operational Security: The Integration of Technology, Policies, and Controls," API IT Security Conference, Houston, Texas, November 2, 2011.

D. Teumim and A. McIntyre, "Securing Control and Communications in Rail Transit," Industrial Control Systems Joint Working Group Conference, Long Beach, California, October 26, 2011.

A. McIntyre, "Sandia National Laboratories and Mesa del Sol: Smart Grid and Renewable Energy," Industrial Asset Management Council, Albuquerque, New Mexico, May 2, 2011.

M. Henrie and A. McIntyre, "Critical Issues in Process Control System Security: DHS Spares Project Synopsis," Briefing to DHS, December 2010.

A. McIntyre, "Sandia – Power Surety Task Force Hawaii Foam Analysis Final Report," Sandia Technical Report SAND2010-8285, November 2010.

A. McIntyre, M. Henrie and J. Hernandez, "Critical Issues in Process Control System Security: DHS Spares Project," API IT Security Conference, Houston, Texas, November 9, 2010.

A. McIntyre, "Identifying Emerging Smart Grid Impacts to Upstream and Midstream Natural Gas Operations," North American Energy Standards Board Fall 2010 Meeting, Houston, Texas, September 22, 2010.

A. McIntyre and J. Stinebaugh, "Cyber Security Assessment of the SolarCAT/Southwest Solar Architecture," Sandia Technical Report SAND2010-6886, August 2010.

A. McIntyre, "Emerging Risk Assessment Options," API Pipeline Conference. New Orleans, Louisiana, April 2010.

A. McIntyre, "Final Institute Report Refines, Forecasts Cyber-Security Issues." Oil and Gas Journal, November 2009.

M. Henrie and A. McIntyre, "Renewable Energy Projects: Project Management Opportunities, Challenges, and Risks." Reprinted in Projects and Profits. June 2009.

A. McIntyre and J. Carlson, "Solar LED Light Final Report for the Power Surety Task Force," Sandia Technical Report SAND2009-3730, June 2009.

A. McIntyre, "Process Control System Security: Risks and Mitigations," IDGA: Cyber Security for National Defense Conference, Washington, DC, May 21, 2009.

A. McIntyre and M. Henrie, "Organizational Communication for Security Risk Reduction and Survivability," The Energy Telecommunications and Electrical Association. Houston, Texas, April 2009.
